NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

1. The Company hereby appoints Manufacturers Hanover Trust Company, a corporation organized and existing under the laws of the State of New York and having its corporate trust department at 600 Fifth Avenue, New York, New York 10020, as successor trustee under the Equipment Trust Agreement and the Trust Certificates.

2. Effective at the close of business on August 31, 1984, Manufacturers Hanover hereby accepts all the estates, properties, rights, powers, trusts, duties and obligations of Morgan, Manufacturers Hanover's predecessor in trust under the Equipment Trust Agreement, upon the terms and conditions set forth herein and therein.

3. Manufacturers Hanover, pursuant to the provisions of the Equipment Trust Agreement, hereby requests that Morgan by these presents transfer and convey to Manufacturers Hanover, as successor trustee, all the right, title and interest in and to the Trust Equipment and to any cash, securities or other property held by Morgan under the Equipment Trust Agreement and all the rights, powers, trusts, duties and obligations of Morgan under the Equipment

Trust Agreement, and hereby requests that the Company and the Guarantor by these presents join in such transfer and conveyance.

4. Pursuant to the request of Manufacturers Hanover, Morgan hereby grants, gives, bargains, sells, aliens, remises, releases, conveys, confirms, assigns, transfers, delivers and sets over to Manufacturers Hanover, as such successor trustee, all the right, title and interest of Morgan in and to the estate created by the Equipment Trust Agreement (including, without limitation, any money, securities, and Trust Equipment) and all rights, powers, trusts, duties and obligations under the Equipment Trust Agreement and the Trust Certificates and does hereby pay over, assign, transfer and deliver to Manufacturers Hanover, as successor trustee, any money, securities or other property which Morgan, as predecessor Trustee, holds pursuant to the terms of the Equipment Trust Agreement.

The above-mentioned Trust Equipment is granted, given, bargained, sold, alienated, remised, released, conveyed, confirmed, assigned, transferred, delivered and set over by Morgan in the respective condition "as is" of each unit of such Trust Equipment, without any representation or warranty whatsoever, with respect to the Trust Equipment, express, implied or statutory, in law or in equity, by Morgan including, without limitation, any representation or warranty as to the existence, value,

quality, condition, merchantability, obsolescence, fitness, suitability for use or working order of any of such Trust Equipment being transferred hereby and, with respect to the Trust Equipment, without recourse against Morgan in any event, in any contingency or for any cause, except that Morgan warrants that it has conveyed the title it possesses in the Trust Equipment free of liens or defects of title resulting from action taken or omitted to be taken by Morgan other than in connection with the transactions contemplated by the Equipment Trust Agreement; and such Trust Equipment is accepted by Manufacturers Hanover, as successor trustee, subject to all the foregoing conditions set forth in this paragraph.

5. Upon the transfer and delivery of all moneys, any securities and Trust Equipment held by Morgan and the execution by Morgan of such instruments of transfer as may be reasonably requested by Manufacturers Hanover, and upon acceptance by Manufacturers Hanover of the assignment and of the trust, Morgan shall be relieved and discharged of all the title, rights, powers, duties and obligations of the trust thereunder and under the Trust Certificates, and the same shall become vested in Manufacturers Hanover, and every provision thereof applicable to Morgan shall apply to Manufacturers Hanover with like effect as if Manufacturers Hanover had been originally named therein in the place and

stead of Morgan; provided, however, that any rights of Morgan to compensation, expenses and disbursements for the period during which it serves as Trustee shall not be terminated by the execution and delivery of this instrument.

6. Notwithstanding any of the above, the appointment of Manufacturers Hanover as successor trustee is subject to the right of the holders of the majority in principal amount of the then outstanding Trust Certificates under the Equipment Trust Agreement by an instrument in writing to appoint any successor trustee, if such appointment is made within one year from the date of the giving of notice by Morgan to the Company of its intention to resign as Trustee.

7. Manufacturers Hanover shall not be held responsible in any way to the holders of the Trust Certificates or to any other person by reason of any act or omission of Morgan, as Trustee.

8. The Company and the Guarantor, for the purpose of more fully and certainly vesting in and confirming to Manufacturers Hanover, as successor trustee, such title and such estates, properties, rights, powers, trusts, duties and obligations, at the request of Manufacturers Hanover, join in the execution hereof.

9. The Company represents and warrants that:

(a) it is validly organized and existing;

(b) upon due execution and issuance thereof by Morgan, the Certificates were validly and lawfully issued;

(c) it has performed or fulfilled each covenant, agreement and condition on its part to be performed or fulfilled under the Equipment Trust Agreement;

(d) it has no knowledge of the existence of any default, or event of default, or any event which upon notice or passage of time or both would become a default or an event of default, under the Equipment Trust Agreement; and

(e) it will continue to perform the obligations undertaken by it under the Equipment Trust Agreement and its guaranty endorsed on each Trust Certificate.

10. Morgan represents and warrants to Manufacturers Hanover that

(a) it has made, or promptly will make, available to Manufacturers Hanover originals of all documents relating to the trust created by the Equipment Trust Agreement and all information in the possession of its Corporate Trust Department relating to the administration and status thereof and will furnish to Manufacturers

Hanover any of such documents or information
Manufacturers Hanover may request; and

(b) based on information known to the
officers in the Corporate Trust Department of
Morgan, as Trustee, no default or event of
default or event which upon notice or lapse of
time or both would become a default or an event
of default under the Equipment Trust Agreement
exists.

11. Manufacturers Hanover represents and warrants
that it is eligible and qualified to serve as successor
trustee under the provisions of the Equipment Trust
Agreement.

12. The Company hereby covenants to do and perform
any other act, and to execute, acknowledge, deliver, file,
register and record this Instrument of Appointment of,
Acceptance of Appointment by, and Assignment to, Successor
Trustee and Statement of New Identifying Numbers of Railroad
Equipment, or such other instruments as may be appropriate,
to be filed and recorded pursuant to Section 11303 of the
Interstate Commerce Act and otherwise as may be required by
law for the full protection of the title of the successor
trustee and of the rights of the holders of Trust
Certificates so that this Instrument, the Equipment Trust
Agreement and all said other instruments, shall at all times
be duly filed and recorded.

The Company will promptly furnish to the successor trustee certificates or other evidences of such filing and recording and an Opinion or Opinions of Counsel (as defined in the Equipment Trust Agreement) with respect thereto.

13. The Company and the Guarantor covenant and agree to execute all writings recognizing the transfer of title as hereinabove set forth and all instruments of further assurance or otherwise as reasonably may be requested by the successor trustee in the premises, and will do and perform any and all acts necessary to establish and maintain the title and rights of the successor trustee in and to the Trust Equipment.

14. Notwithstanding anything to the contrary in the Equipment Trust Agreement and the Trust Certificates, any Trust Certificate issued by Manufacturers Hanover as successor trustee under the Equipment Trust Agreement shall be signed by the facsimile signature of one of its Assistant Vice Presidents and its corporate seal in facsimile shall be imprinted thereon and attested by the manual signature of one of its Trust Officers and thereupon such Trust Certificate shall have the same effect as if it had been signed prior to the entry into force of this Instrument by the facsimile signature of a Vice President of Morgan and Morgans's corporate seal or a facsimile thereof had been affixed thereto and attested by one of the Assistant Trust

Officers of Morgan.

Similarly, any dividend warrants attached to the Trust Certificates shall bear the facsimile signature of one of Manufacturers Hanover's Assistant Vice Presidents in place of the facsimile signature of one of Morgan's Vice Presidents or its Treasurer.

15. This Instrument is being executed in several counterparts each of which when so executed shall be deemed to be an original, but such counterparts shall together constitute but one and the same instrument.

16. All notices, demands and other communications under the Equipment Trust Agreement shall be given to Manufacturers Hanover, as successor trustee, at 600 Fifth Avenue, New York, New York 10020, Attention: Corporate Trust Department, or at such other address as may hereafter be furnished to the Company in writing by Manufacturers Hanover.

17. A complete listing of the Trust Equipment subject to the Equipment Trust Agreement showing the type and current identification number of each unit thereof is attached hereto as Schedule B.
